Dear Friends and Music Aficionados:

We are delighted to bring you the good news that we are moving forward with our 24th festival! As LIVE concerts will take place in all scheduled venues - even with post-covid provisions - *iPalpiti* musicians will infuse all performances with their "trademark" of "positive emotional energy, sending a message of UNITY and HOPE."

This Festival, 23 musicians from 18 countries were selected to be featured in nine scheduled concerts during July 15-24. Amidst much uncertainty, Maestro and I were thinking of programs to gift our dear audiences heart-filled, soulful performances of truly special selections that epitomize media's universal praises, including

*"... iPalpiti Festival has become one of the highlights – in some years, **the** highlight – of the summer here"* - R. Ginell, American Record Guide, 2015

During the "streaming" season, musicians were grateful to hundreds of virtual audiences and to all those who sent contributions. The affirmations that their craft matters kept their spirit and hopes buoyed up. But now, the need is to support LIVE artists in LIVE performances in your community.

Looking forward to greeting you IN PERSON at the concerts!

iPalpiti 2019 (Last Live Photo on Stage) Dana Ross, Photographer

"...inspired young musicians of iPalpiti from around the globe are united in their hope of bringing beauty into your life through celestial sound, vital rhythm, and eternal loving energy. May we all be blessed by the touch of higher harmony! "

-Maestro Eduard Schmieder

New Board Members: Lauren Dani & Stefan Ashkenazy

iPalpiti 24th Festival LIVESTREAM, the first post-COVID live social event, took place on Sunday June 6, 2021, in the gardens of our Vice Chair Ada Sands in Brentwood. The "abridged" version of the four-hour "coming-out" event was livestreamed; with cocktails, exquisite catered dinner and moving presentations from attending benefactors and iPalpiti orchestra in select short performances. All intended as a glimpse of anticipation for iPalpiti's Festival this July, with nine LIVE concerts featuring 23 prize-winning musicians from 18 countries.
